**In the event of an accident, here are some important safety procedures to follow:**

1. Stop and turn off the vehicle. Ensure you're free of injuries and capable of performing tasks without injury.
2. Assist the injured if it is safe for you to do so and call 911 for assistance.
3. Turn on hazard flashers and place reflective triangles or cones on the road.
4. Protect your vehicle from theft by locking doors and enabling any other security systems.
5. Gather witness information including names, phone numbers and license plates; if possible take photos of vehicle and/or property damage.
6. Never discuss the collision with anyone other than proper authorities. Remember, others could assume you are at fault when in fact you may not have been.

**Contact your Ryder Shop about damages to your vehicle.**
