

Pre-Owned Affordability: Now 3 Times Easier

Building up your business starts with one big question: How can you affordably grow your fleet to meet higher demand? The smart, reliable solution: Ryder's unparalleled selection of pre-owned vehicles, offering three new classes of vehicles to fit your unique needs—all at a payment you can afford.

Three classes of vehicles
to fit your distinct needs

Ready to expand your fleet, all while saving on the high cost of buying new? Find the right pre-owned truck for your needs from Ryder's three distinct classes of vehicles:

Ryder Certified™

Our guarantee of quality

For *guaranteed reliability* at an affordable price, choose our highest-quality pre-owned vehicles—Ryder Certified™—bringing you unparalleled benefits:

- Automatic 30-day limited powertrain warranty
- Just one prior owner: Ryder, with a legendary 80-year history in vehicle care
- Full maintenance history
- Rigorous 140-point inspection
- DOT compliant
- Extended warranty options
- Flexible financing

Ryder Verified™

Tried & true trucks you can trust

With Ryder Verified™, build your fleet with the road-ready, fully compliant truck you need:

- Thoroughly inspected
- DOT compliant
- Extended warranty options
- Flexible financing

Ryder Reclassified™

As-is vehicles and parts that need a little attention

Ryder Reclassified™ is your go-to marketplace for damaged or scrap vehicles offering valuable spare parts and fixer-uppers.

Three New Classes of Vehicles

- **Unparalleled Choices:** 5,000+ pre-owned vehicles for every need
- **3 Classes of Value** to fit your distinct needs: Ryder Certified™, Ryder Verified™, and Ryder Reclassified™
- **Guaranteed Reliability:** Our highest quality option, Ryder Certified™, must pass a rigorous 140-point inspection, bringing you an automatic 30-day limited powertrain warranty
- **Flexible Financing:** Get the truck you need at a payment you can afford
- **Easy Selection:** Search online or at 59 North American locations
