

Ryder Corporate Fact Sheet

ABOUT RYDER

Ryder is a \$6.6 billion, FORTUNE 500® commercial fleet management, dedicated transportation, and supply chain solutions company, with operations in the U.S., Canada, Mexico, the U.K., and Singapore. The Company, founded in 1933, operates behind the scenes, managing critical transportation and logistics functions for more than 50,000 customers, many of which make the products that consumers use every day.

Ryder employs more than 33,000 people, manages a fleet of 231,900 commercial vehicles, and operates more than 40 million square feet of warehouse space. Ryder's stock (NYSE: R) is a component of the Dow Jones Transportation Average and the Standard & Poor's 500 Index. Ryder operates three business segments: Fleet Management Solutions, Supply Chain Solutions, and Dedicated Transportation Solutions. For more information, visit www.ryder.com.

BUSINESS OVERVIEW

Ryder operates three business segments: Fleet Management Solutions, Supply Chain Solutions, and Ryder Dedicated.

Fleet Management Solutions (FMS) provides a broad range of services to help businesses of all sizes, across virtually every industry, deliver for their customers. From leasing, maintenance, and fueling, to commercial rental and used vehicle sales, customers rely on Ryder's expertise to help them lower their costs, redirect capital to other parts of their business, and focus on what they do best so they can grow.

Supply Chain Solutions (SCS) optimizes logistics networks to make them more responsive and able to be leveraged as a competitive advantage. Globally-recognized brands in the automotive, consumer goods, food and beverage, healthcare, oil and gas, technology, and retail industries rely on Ryder's leading-edge technologies and world-class logistics engineers to help them deliver the goods that consumers use every day.

Dedicated Transportation Solutions (DTS) combines the best of Ryder's leasing and maintenance capability with the safest and most professional drivers in the industry. With a dedicated transportation solution, Ryder helps customers increase their competitive position, reduce risk, and integrate their transportation needs with their overall supply chain.
