MEXICO OPERATIONS

Ryder Mexico has 30 locations in Mexico and maintains a presence in 16 cities in the country. Ryder Mexico also handles more than 17,900 cross-border freight movements between the U.S., Canada, and Mexico a month on behalf of North American manufactures in various industries. Ryder Mexico was also recognized in 2016 and 2017 by the Mexican national business publication, CNN Expansión, as one of the “500 Most Important Companies in Mexico.” The Company also holds a variety of certifications to help expedite border crossings (i.e. C-TPAT, FAST, NEEC, and TAPA).
