

# WAREHOUSE EMPLOYEE REFERRAL PROGRAM

The Warehouse referral bonus is there to recognize our employees who recommend warehouse candidates for full time job openings at Ryder. In exchange for referring a former colleague, friend, neighbor, etc.

**you will earn \$1,500**

There is no limit on the number of warehouse candidates you can refer to Ryder. This employee referral bonus is open to all employees below the Director level, under the conditions laid out below.

\*This is a temporary increase to our regular Employee Referral bonus program until **December 31, 2022**

## HOW DO I REFER SOMEONE?

To refer someone, you simply need to go to [www.ryderreferrals.com](http://www.ryderreferrals.com) and enter your and your referral's information. You may also give their name and contact information to your manager and/or the Ryder recruiting team.

It's also a best practice to tell your referral to list your name on their application as well as letting their recruiter know. If your referral forgets to put your name on their application, please connect with your manager and their recruiter to get this confirmed and corrected.

To check if your name is listed on your referrals application, please connect with the Ryder recruiting team.
